About Gold Country Cowgirl

Gold Country Cowgirl explores the USA through wine, food and travel, mostly by RV, from a home base in the Rio Grande Valley in Texas. The blog also aims to encourage seniors and those on a limited budget to be active and learn more about their own local area. Even if you can't travel far, you can still have grand adventures!

About Ava

Ava is a baby boomer who has done her fair share of traveling, drinking wine and eating, and they are still her favorite things to do. She's probably not alone there! A recent life change has set her on a journey learning about the RV lifestyle. She loves road trips, unearthing tales of local history, meeting

new people, wine, good food, cooking, horseback riding, camping, crafting, and all animals, especially her horse and three rescued cats.
